

## ABOUT DCL SUPPLY...

DCL Supply has been proudly serving the commercial and industrial HVAC market for over 30 years.

We provide our customers across Canada with the innovative and labour-saving products the industry values and needs. DCL Supply has a strong reputation for fast delivery, stocking leading brands, and knowledgeable people who know sheet metal. We believe in exceptional customer service.

DCL Supply is proud to be the exclusive master distributor for Ductmate and GreenSeam brands, as well as Midwest Metal Products. We are also pleased to support great brands including Midwest Tools, Gripnail, the Blastgate Company, and many more.

Let us supply you with the quality products and service you need for your next project.

## WHAT THE DCL SUPPLY VALUE MEANS...

The DCL Supply value goes beyond our large selection of products. Our **expert team** provide all our customers in the HVAC industry with many additional benefits:

### KNOWLEDGABLE TEAM WITH SHEET METAL EXPERTISE

Many of our team are former sheet metal workers. They have knowledge and insight that makes it easy to do business with us.

### EXCEPTIONAL CUSTOMER SERVICE

Our team take pride and put the highest value in providing exceptional customer service to the HVAC Industry.

### FAST DELIVERY

Getting what you need, when you need it, is always our goal. Our team is fast, responsive, and will always work with you to get you the supplies you need on time.

### HELP WITH SPECS AND CUSTOM SHEET METAL & FITTINGS

From custom fittings, custom sheet metal work, and help with specs, the expert team at DCL Supply will do our best to help you find the exact products you need for your next project.
